

# COPPERFIELD NEWSLETTER

May

As we welcome the month of May, we're excited to see our neighborhood come alive with warmer weather, blooming landscapes, and more opportunities to connect as a community.

With spring in full swing, we encourage all residents to take a moment to review their property for seasonal maintenance. Simple tasks like lawn care, trimming shrubs, and refreshing mulch not only enhance your home's appearance but also contribute to the overall beauty and value of our neighborhood. We appreciate everyone's efforts in keeping our community looking its best.

We're also happy to announce that pool season is just around the corner! Our community pool is scheduled to open soon, just in time for Memorial Day weekend. We look forward to another fun and safe season for all residents.

In addition, swim team season is gearing up! This is a wonderful opportunity for children in our community to stay active, build friendships, and develop their swimming skills. Whether your child is new to swim team or returning for another season, we encourage families to participate. For more information regarding registration, practice schedules, and volunteer opportunities, please email [swimcopperfield@yahoo.com](mailto:swimcopperfield@yahoo.com).

As the school year winds down and summer approaches, we anticipate increased activity throughout the neighborhood. We kindly remind residents to watch for children at play, observe speed limits, and be courteous to pedestrians and cyclists.

We are also continuing to plan for upcoming community initiatives and events. More information will be shared soon, and we always welcome volunteers who are interested in helping make our neighborhood an even better place to live—including support for pool operations and swim team events.

Thank you for your continued cooperation, involvement, and pride in our community. If you have any questions, suggestions, or concerns, please don't hesitate to reach out to the board.

Wishing you a safe, relaxing, and enjoyable May!

# Board Elections

As we look ahead, HOA board elections will be taking place in the coming months. This is an important opportunity for residents to get involved in shaping the future of our community. We encourage anyone interested in serving on the board to consider running, as well as all homeowners to participate in the voting process. Serving on the board is a meaningful way to contribute your ideas, represent your neighbors, and help maintain and improve the quality of life in our neighborhood. Additional details regarding nomination procedures, important dates, and voting information will be shared in the near future.

Emails have gone out with a link to sign up for your electronic pool pass. Please cut and past the following address into your browser to complete your application.

## 2026 Electronic Pool Pass

**We've recently had incidents involving a  
damaged mailbox and a parked vehicle—  
both tied to speeding.**

**Our streets are active with families, walkers,  
and children at play every day. When speeds  
creep up, reaction time drops—especially in  
areas with street parking.**

**For everyone's safety, please:**

**Drive the posted speed limit**

**Be mindful of visibility when parking**

**Stay alert for pedestrians and children**

**A small adjustment in how we drive and park  
can make a big difference for everyone who  
calls this neighborhood home.**
